- Half Street SW between Potomac Avenue SW and Q Street SW have been closed for an extended period.

These closures are required for construction activities associated with the following DDOT projects:

**South Capitol Street Corridor Project - Frederick Douglass Memorial Bridge**

The South Capitol Street Corridor Project calls for replacing the Frederick Douglass Memorial Bridge and transforming related sections of the urban freeway into a beautiful scenic boulevard that increases pedestrian and vehicular safety, improves multimodal transportation options, increases community accessibility and supports economic development on both sides of the Anacostia River.

**I-295 / Malcolm X Avenue SE Interchange Improvement Project**

The project includes the reconstruction of the I-295 interchange with Malcolm X Avenue SE, including ramps and a new access roadway to the St. Elizabeth's West Campus. The planned improvements will be made between Firth Sterling Avenue SE, on the north, and the South Capitol Street/Martin Luther King, Jr. Avenue SE intersection to the south. The project will provide transportation improvements to serve the proposed Department of Homeland Security headquarters consolidation on the St. Elizabeth's West Campus.

Motorists are urged to use caution as they travel in these areas, to anticipate moderate delays, and to be mindful of construction personnel.
