Temporary Closures of Suitland Parkway and Howard Road SE December 6 to December 13, 2021

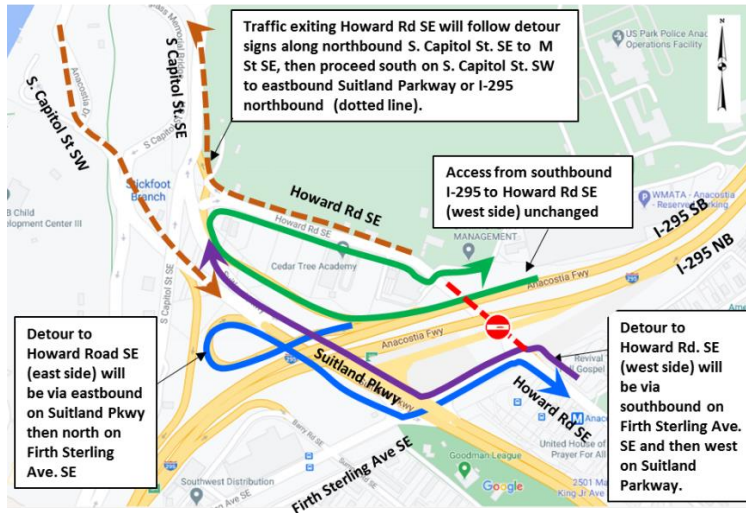

(Washington, D.C.) - The District Department of Transportation (DDOT) will temporarily close Suitland Parkway between South Capitol Street SE and Firth Sterling Avenue SE from 9:00 p.m. to 5:00 a.m. the following morning on December 6 and 7, 2021 for re-construction. This will include the closure of Exit 4A from I-295 Southbound to outbound Suitland Parkway SE and the restriction of left turns from Exit 4 from I-295 Northbound to Suitland Parkway SE and South Capitol Street SE. When Suitland Parkway SE is fully closed, Firth Sterling Avenue SE, South Capitol Street SE, and Howard Road SE will remain open to all traffic. A marked detour will be in place during these closures.

Suitland Parkway Full Closure & Detour

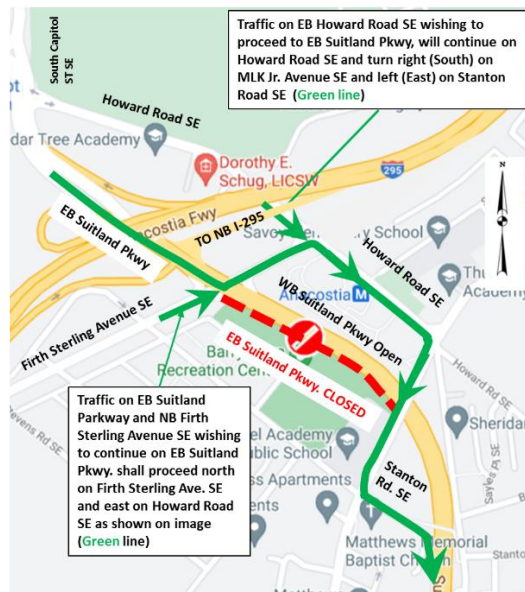

Howard Road SE between the WMATA Parking garage and Firth Sterling Avenue SE will be closed from 9:00 p.m. to 5:00 am the following morning on December 8 and December 9, 2021 for bridge construction. Pedestrian access will be continuously maintained. Access to and from the WMATA Parking Garage will be continuously maintained. When Howard Road SE is fully closed, Suitland Parkway SE will remain open to all traffic. A marked detour will be in place during these closures.

Howard Road SE Closure & Detour

Eastbound Suitland Parkway between Firth Sterling Avenue SE and MLK Jr Avenue SE will be closed from 3:00 a.m. to 11.00 a.m. on December 11, 2021 for re-construction. A marked detour will be in place during these closures.

Eastbound Suitland Parkway Closure & Detour

These closures are necessary for construction activities associated with the South Capitol Street Corridor Project, which includes construction of the New Frederick Douglass Memorial Bridge and the reconstruction of the I-295/ Suitland Parkway interchange.

Please observe the posted speed limit and proceed through the construction area with caution. Pedestrians and cyclists are advised to stay alert and follow signage when traveling through this area.
