Temporary Ramp and Lane Closures on DC-295 August 13 – August 14

ANACOSTIA FREEWAY BRIDGES OVER NICHOLSON STREET PROJECT

(Washington, DC) – The District Department of Transportation (DDOT) will temporarily close the Pennsylvania Avenue, SE eastbound entrance ramp to DC-295 southbound on Tuesday, August 13 and Wednesday, August 14 to perform bridge rehabilitation work. The ramp will be closed from 8 p.m. to 5 a.m. on both days, weather permitting.

Vehicles will be detoured for the ramp closure using Minnesota Avenue, Good Hope Road and Martin Luther King Jr. Avenue, SE, as indicated in the map below. Significant delays should be expected around the project area and motorists are advised to use an alternative route, if possible.

Traffic controls will be in place to warn drivers approaching the areas and guide them through the construction zone. Drivers are advised to take an alternate route or alternate travel times to avoid delays, stay alert while traveling through these locations and to be observant of the work zone.

For ongoing information on the rehabilitation of the Anacostia freeway bridges over Nicholson St. SE, please visit <http://nicholsonse.anacostiabridges.com>.

###

The mission of the District Department of Transportation (DDOT) is to enhance the quality of life for District residents and visitors by ensuring that people, goods, and information move efficiently and safely with minimal adverse impact on residents and the environment.
