South Capitol Street Corridor Project - Weekly Closures May 31 through June 14, 2021

(Washington, D.C.) – The District Department of Transportation (DDOT) will temporarily close roadways, lanes, ramps, and shoulders on the following corridors to perform construction activities along I-295 / DC 295 and nearby local roads. These closures are contingent on suitable weather, field conditions, and/or adjacent construction activities. Daily closures will take place between 9:30 a.m. and 3:30 p.m. Nightly closures will take place between 8:00 p.m. and 6:00 a.m. the following day (unless otherwise stated below).

Due to the scheduled Washington Nationals games, nighttime double lane closures will not occur on Thursday, June 10 through Saturday, June 12 until after 11:00 p.m. Single lane closures on inbound routes (westbound Suitland Parkway, northbound South Capitol Street) may occur starting at 9:00 p.m. On Sunday, June 13, daytime single lane closures will not occur after 11:00 a.m. If these games are cancelled, daily and nightly closures will occur during the typical times. Additionally, any nighttime full roadway closures that are prohibited on these game days, will take place in the event of a game cancellation.

Single left or right lane closures will occur anytime daily and nightly on northbound and southbound I-295 between Exit 1 (Laboratory Road / US Naval Research Lab) and I-695. On northbound I-295, there will be no closures during the weekday AM peak period; and on southbound I-295, there will be no closures during the PM weekday peak period. Double left or right lane closures will occur nightly, starting at 10:00 p.m., until the following morning.

Single left or right lane closures will occur daily and nightly in both directions on South Capitol Street SE/SW between Firth Sterling Avenue SE and N Street SE and on Suitland Parkway SE between the Martin Luther King, Jr. Avenue SE overpass and South Capitol Street SE. These single lane closures along these roadways will take place during off-peak hours. Double left or right lane closures will only occur nightly,

starting at 9:00 p.m., until the following morning. No other closures on South Capitol Street SE/SW or Suitland Parkway SE will take place on weekdays between 6:00 a.m. and 9:30 a.m.

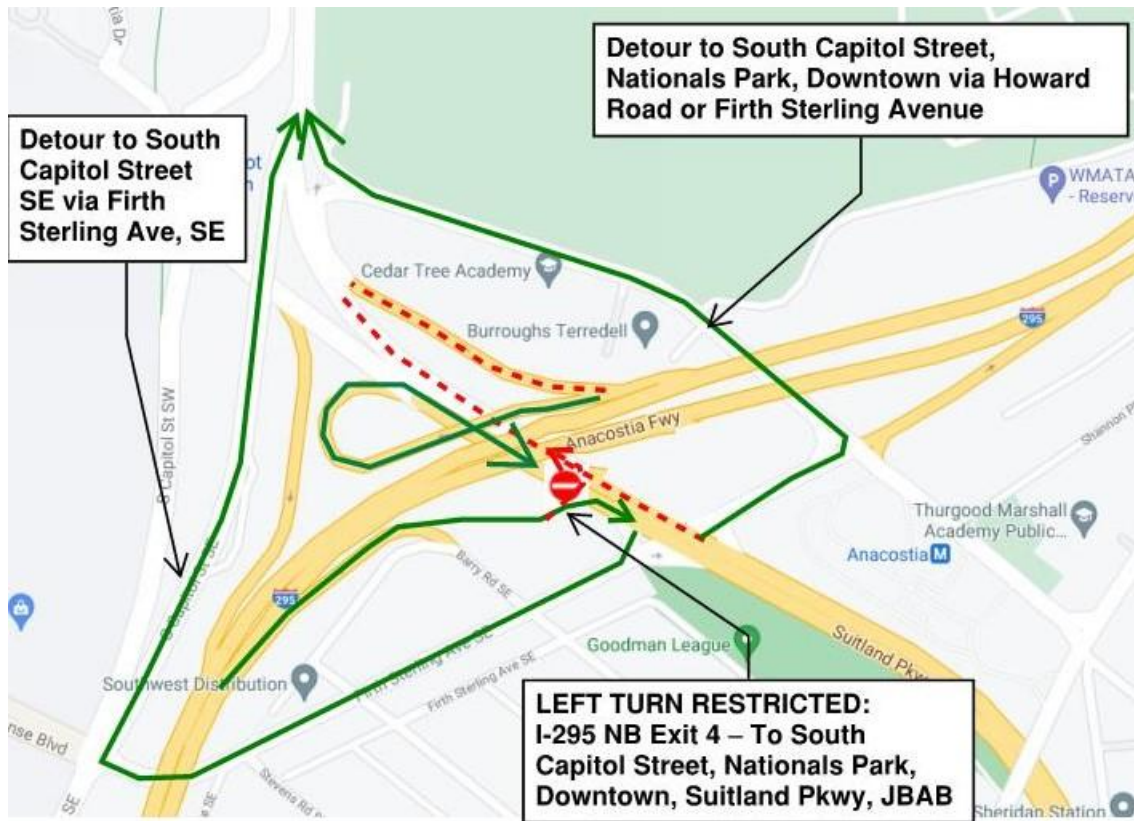

Daily and nightly single lane closures will also occur anytime during off-peak hours on Potomac Avenue SE/SW and Howard Road SE. Daily and nightly single lane closures will also occur anytime on Firth Sterling Avenue SE, Half Street SW, Barry Road SE, St. Elizabeths Avenue SE, and Malcolm X Avenue SE.

The following full ramp closures will also occur daily and nightly.

- Exit 4 from I-295 Northbound (South Capitol Street / Suitland Parkway)
- Exit 4 from I-295 Southbound (South Capitol Street / Suitland Parkway)
- I-295 Northbound On-ramp from northbound Firth Sterling Avenue SE

The westbound lanes of Suitland Parkway SE between Firth Sterling Avenue SE and South Capitol Street SE will be closed nightly from Tuesday, June 1, 2021, to Saturday morning, June 5, 2021. Closures will extend from 9:00 p.m. to 5:00 a.m. This will include the restriction of left turns from the new Exit 4 from I-295 NB to Suitland Parkway SE and South Capitol Street SE, and closure of the ramp from I-295 SB to South Capitol Street. When Suitland Parkway SE is fully closed, Firth Sterling Avenue SE and South Capitol Street SE will remain open to all traffic. A marked detour will be in place during these closures.

Westbound Suitland Parkway SE Closure

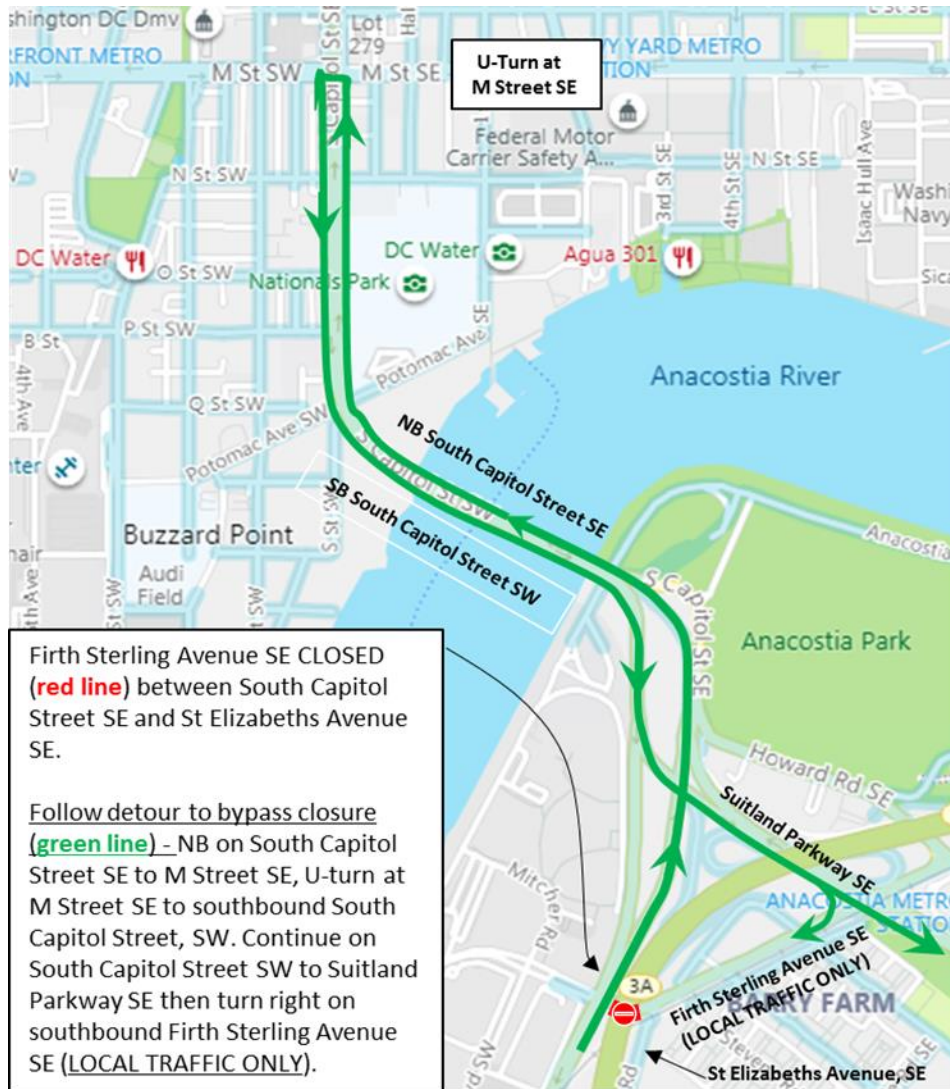

The northbound lanes of South Capitol Street SE/SW between Potomac Avenue SE and O Street SW will be closed on Saturday, June 5, 2021, from 5:00 a.m. to Monday morning, June 7, 2021, at 5:00 a.m., as shown in the graphic. A marked detour will be in place during this closure.

Northbound South Capitol Street Closure & Detour

Firth Sterling Avenue SE between South Capitol Street SE and St. Elizabeths Avenue SE will be closed nightly between Monday, June 7, 2021, and Friday morning, June 11, 2021, as shown in the graphic. The closure will also be in place continuously starting Friday night, June 11, 2021, at 8:00 p.m., extending to Monday morning, June 14, 2021, at 5:00 a.m. When Firth Sterling Avenue SE is fully closed, Suitland Parkway SE will remain open to all traffic. A marked detour will be in place during these closures.

Firth Sterling Avenue SE Closure & Detour

Howard Road SE between Firth Sterling Avenue SE and the access to the WMATA Parking Garage will be closed nightly between Monday, June 7, 2021, and Friday morning, June 11, 2021, as shown in the graphic. The closure will also be in place continuously starting Friday night, June 11, 2021, at 8:00 p.m., extending to Monday morning, June 14, 2021, at 5:00 a.m. When Howard Road SE is fully closed, Suitland Parkway SE will remain open to all traffic. A marked detour will be in place during these closures.

Weeknight and Weekend Howard Road SE Closure & Detour

These closures are required for construction activities associated with the following DDOT project:

South Capitol Street Corridor Project - Frederick Douglass Memorial Bridge

The South Capitol Street Corridor Project calls for replacing the Frederick Douglass Memorial Bridge and transforming related sections of the urban freeway into a beautiful scenic boulevard that increases pedestrian and vehicular safety, improves multimodal transportation options, increases community accessibility, and supports economic development on both sides of the Anacostia River.

Traffic controls will be in place to guide all users of the roadway through the work zones safely. Motorists should expect delays due to the lane closures and are advised to stay alert and be observant of signage and road work crews while traveling in this area.
