Temporary Lane Closures on South Capitol Street SE June 30, 2021

(Washington, D.C.) - The District Department of Transportation (DDOT) will temporarily close northbound South Capitol Street SE between Firth Sterling Avenue SE and Suitland Parkway from 8:00 p.m. to 5:00 a.m. next morning on June 30, 2021, as shown in the graphic.

In the event of weather or other unforeseen delays the closure will occur the following week. A marked detour will be in place during these closures. These closures are necessary for construction activities associated with the South Capitol Street Corridor Project, which includes construction of the New Frederick Douglass Memorial Bridge and the reconstruction of the I-295/ Suitland Parkway interchange.

Please observe the posted speed limit and proceed through the construction area with caution. Pedestrians and cyclists are advised to stay alert and follow signage when traveling through this area.
